Woburn Host Lions' Frank DiPanfilo Memorial Scholarship

As a life-long resident of Woburn, Frank DiPanfilo cherished our community and embraced the concept of public service. As a member of the Woburn Host Lions Club, he took the Lions International motto "We Serve" to heart, spending countless hours in service to his community and to Lions International eyesight charities.

In collaboration with the Woburn Host Lions Club, the DiPanfilo family has established a scholarship fund in memory of Frank and his devotion to public service. Two five-thousand dollar scholarships will be awarded annually to two Woburn residents who are graduating from high school. The scholarship awards will be presented to two students who are in good academic standing and have a documented history of public service to their community.

Please mail this application along with all other requested materials to:
